

Your health is our priority

In response to the COVID-19 pandemic, Ginger Promotions have implemented a “COVID-19 Code of Practice” to help safeguard the well-being of brand ambassadors, members of the public and our staff.

This “Code of Practice” includes guidelines on hygiene, social distancing and sanitisation when you visit our co-working hub, based on the most recent advice from the government. These guidelines will be reviewed regularly to ensure that they are in line with current best practices.

How you can help

- We would request that you wear a mask before you enter the building and for the duration of your visit with us.
- We will have hand sanitiser as you enter and hand washing facilities which we encourage you to use as frequently as you wish.
- We are following the government’s advice on social distancing. We can’t wait to see you, and wish we could shake your hand, but we’ll both have to do with a big smile and hello! 😊

If you have any questions or queries, please email us at claudia@gingerpromotions.life

Take care and stay safe,

Ginger Promotions
